

PM 6000 PM 8000

Speakers to be heard and not seen.

Building a new home? Remodeling the family room or kitchen? Perhaps you're looking to enjoy your favorite music throughout the house. Our custom In-Wall and In-Ceiling speakers are designed to deliver Pinnacle's superior performance without being seen. Great for serious background music or as rear channel speakers, all our custom models feature titanium dome pivot mount tweeters so you can position the sound source exactly where you want it. Sophisticated crossover networks ensure that the only thing you notice is Pinnacle's high standard for performance.

Special Features

- Pivoting tweeter for the best performance and placement flexibility
- Gold plated binding posts for a tight, secure connection
- Split Shelving™ crossover system for maximum bass performance
- Hardware in place for easy wall mount installation
- Rough-in kit sold separately for PM 6000 model
- 7-Year Transferable Warranty on parts & labor
