

QP2

High Performance LCR

The Ideal Complement to Your Flat Panel TV

The **QP2** is the perfect visual and acoustic complement to your plasma TV or LCD monitor. Designed as a high performance LCR (left/center/right), the speakers can be used in any position in your Home Theater system or wherever an "on-wall" application is required. The QP2 includes user-friendly pivot & flush wall bracket mounts to enable all desired wall mount options.

In addition to its stylish design, the QP2 uses the same ultra lightweight, patented purple plasma vapor-coated tweeter used throughout the popular Quantum Series, providing exceptionally linear and stable sonic performance. The QP2 is available in white, black and silver to easily integrate with all décors.

Special Features

- Solid extruded aluminum construction for minimum resonance
- Includes Slide-fit™ flush wall mount bracket for vertical or horizontal orientation
- Includes pivot wall-mount bracket for swiveling and/or tilting the speaker
- Ultra-lightweight, patented plasma coated titanium dome tweeters for superb detail
- Carbon graphite mid-bass driver for smooth linear response
- Both silver and black grilles included to match any décor (Note: Black model only comes with black grille.)
- Video shielded to allow placement near a TV without interference
- Gold-plated binding posts for a secure connection
- Automatic overload protection circuit prevents failure
- 10-Year transferable warranty on parts & labor

Specifications

System Type: 2-Way, 2-element, Acoustic Suspension

Component Drivers: 1" liquid cooled titanium dome tweeter with plasma vapor treatment for control at the highest frequencies, 3" carbon graphite woofer with rubber surround

Frequency Response: 125 - 21 kHz

Operative Power Range: 15 - 80 Watts, 150 Watts Peak

Sensitivity: 90 dB @ 1 Watt / 1 Meter (2.83 Volts Pink Noise)

Nominal Impedance: 8 Ohms

Overall Dimensions: 4" W x 7" H x 3 7/8" D (including mounting bracket)

Cabinet Construction: Solid extruded aluminum

Finish: White, Black or Silver
