

QP 3 & QP 5

The **QP 3 and QP 5** are the perfect visual and acoustic complements to your flat panel TV. Designed as high performance LCR (left/center/right) speakers, they can be used in any position in your Home Theater system or wherever an "on-wall" application is required. The purple coated plasma ultra-lightweight tweeter exhibits superb acoustical characteristics which results in the most revealing high frequency response obtainable. The resulting sonic performance is exceptionally linear and stable.
