

QP 7

TRI-CHANNEL™

The Centerpiece for Your Home Theater System

Save Space

Save Installation Time

Save **MONEY**

The **QP 7** is a 3-in-1, TRI-CHANNEL™ space-saving speaker design with the front left and right and center channel speakers all housed within one enclosure. The result is three channels in one discrete and aesthetically pleasing space-saving speaker. This high performance speaker is the perfect visual and acoustic complement to your flat panel TV! User-friendly bracket mount allows for flush mounting on a wall horizontally. Threaded inserts also allow for tilt-able bracket mounting with Omni-mount or other aftermarket brackets. In addition to its stylish design, the **QP 7** uses the same ultra lightweight, patented purple plasma vapor-coated tweeter used throughout the popular Quantum Series, providing exceptionally linear and stable sonic performance.

Special Features

- Space-saving 7-element LCR bar TRI-CHANNEL design
- Ideal for 35" and up Flat Panel TVs
- Solid extruded aluminum construction for minimum resonance
- Includes Slide-Fit™ flush wall mount bracket for horizontal orientation
- Ultra-lightweight, titanium dome tweeters for superb detail
- Internally braced cabinets for minimum resonance
- Carbon graphite mid-bass drivers for smooth linear response
- Video shielded for safe placement near a TV
- Gold-plated binding posts for a high quality connection
- Built-in automatic overload protection circuitry
- 10-year transferable warranty on parts & labor
