

S-FIT CTR 350

3-Element Dual 4" Drivers Center Channel Speaker

Discrete High Performance In-Cabinet Solutions

Once again Pinnacle has set the benchmark for value and performance with the **Sonic Fit Collection**. Beautiful, contemporary cabinetry combined with premium components and sophisticated crossover circuitry make for an outstanding combination of performance, value and aesthetics.

These superb "in-cabinet" speakers are designed to be positioned discretely within any listening environment. The **Sonic Fit Collection** is ideal for existing construction and MDU (multi-dwelling unit) markets.

Special Features

- Curved sidewall construction cabinetry with attractive black on black woodgrain vinyl
- Butyl rubber surrounds provide excellent cone control and exceptional durability
- Gold plated binding posts for high quality and secure connection
- Video shielded for placement near TV without interference
- Built in pedestal stand for TV or table placement
- Built-in automatic protection circuit to prevent overload
- 7 Year limited transferable warranty on parts and labor
- Designed in the USA
