

STONEHENGE™

A "ROCK" CONCERT in your own back yard!™

Single Point Stereo Fully Weatherproof "Rock" Speaker

1 Single "Rock" Replaces a Stereo Pair

MODELS: **STONE 128 SANDSTONE**
STONE 128 GREYSTONE

This ultra heavy duty space saving single point stereo ROCK speaker eliminates the need for a stereo pair. STONE 128 features dual tweeters and powerful dual voice coil woofer. You'll be amazed that this single speaker will produce a "ROCK CONCERT" in your own backyard. Available in two décor friendly finishes, Sandstone and Greystone, these rugged speakers are POWER PROTECTED with special built-in overload protection circuitry and are backed by Pinnacle's unbeatable LIFETIME warranty.

Special Features:

- Fully weatherproof, rugged outdoor "ROCK" speaker
- Wire channel for clean install and added stability
- Unbeatable LIFETIME WARRANTY on parts & labor
- Both dual tweeters & dual voice coil woofer design creates full stereo output from just one single speaker
- American engineered custom crafted crossover networks reveal crisp, precise response
- PINNACLE POWER PROTECTION™ CIRCUITRY automatically prevents overload, a very important feature when playing in large open outdoor spaces
- Heavy gauge connection wires encased in an industrial grade fully weatherproof jacket
- Rustproof aluminum microperf grilles endure the most extreme natural elements
- Durable UV paint prevents fading from extended exposure to sunlight
- Butyl rubber woofer surround provides excellent cone control and exceptional durability
- Color coded "pigtail" wires enable easy hook-up
- Designed in the USA
