

WAFER™ SERIES

World's Thinnest, High-Performance Speaker Bars - ONLY 1.9" THIN!

P-WAFER BAR 32

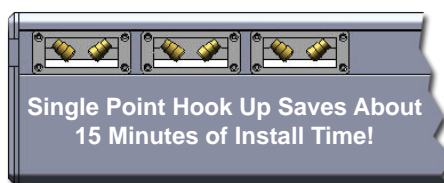

THE PROBLEM: Today's beautiful, super flat panel TVs lack any serious acoustic fidelity.

THE PINNACLE SOLUTION: Pinnacle's WAFER™ Series fills this acoustic void by using a combination of patented tweeters, patented woofers, unique enclosure designs, specialized crossovers and installer friendly features. Now the stunning beauty of the TV is matched by the visually **AND** acoustically stunning Wafer Series products.

Special Features

- Wafer™ thin 1.9" depth with superb performance
- Stunning REAL Piano Lacquer Finish
- Space-saving 7-Element speaker bar
- NEW SINGLE POINT HOOK-UP
- 1 common hook-up junction for easy hook-up saves about 15 minutes of installation time
- Patented, pivoting tweeters positioned on the far ends for the broadest soundstage
- Non-resonant extruded aluminum cabinetry
- New design spring loaded binding posts for fast easy hook up, even with "fat fingers"
- Includes Flush Fit™ wall bracket for horizontal mounting
- Includes threaded inserts that accept after market pivot bracket wall mounts
- Table mount accessory available separately
- Video shielded for placement near a TV without interference
- Gold plated binding posts for a secure connection
- Internally braced to eliminate distortion at all volume levels
- Built in automatic protection circuitry to prevent overload
- 10-Year transferable warranty on parts & labor
