

WAFER™ SERIES

World's Thinnest, High-Performance LCRs

P-WAFR LCR 25

THE PROBLEM: Today's beautiful, super flat panel TVs lack any serious acoustic fidelity.

THE PINNACLE SOLUTION: Pinnacle's WAFER™ Series fills this acoustic void by using a combination of patented tweeters, patented woofers, unique enclosure designs, specialized crossovers and installer friendly features. Now the stunning beauty of the TV is matched by the visually **AND** acoustically stunning Wafer Series products.

Special Features

- Patented reverse magnet woofer technology for exceptional bass clarity
- Space-saving full range speaker for left, center or right channel applications
- Patented, pivoting tweeter for best dispersion pattern
- Non-resonant extruded aluminum cabinetry
- Includes Slide Fit™ wall brackets for horizontal or vertical mounting
- Includes threaded inserts that accept after market pivot bracket wall mounts
- Internally braced to eliminate distortion at all volume levels
- Video shielded for placement near a TV without interference
- Built in automatic protection circuitry to prevent overload
- 10-Year transferable warranty on parts & labor

Patented reverse magnet woofer technology for exceptional bass clarity
